#### The Small Print

Please present this leaflet in-store when you place your order. We will ask you to pay a non-refundable deposit equal to 50% of the total order value. The balance need not be paid until you collect your outfits. The minimum party size is four adults and each outfit must include suit, waistcoat, shirt, cravat, handkerchief and Accidental Damage Waiver. You may make subsequent changes to your order which will be discounted at the level of discount applicable at the time of change.

All members of your party must have their initial fittings at least three months before your collection date, or within two weeks of ordering, if this is later. We can arrange fittings elsewhere around the country if this helps you through "The Hire Network".

Unfortunately we can't extend this offer to special order items, highland wear, evening wear or some of our "prestige" ranges (ask in store). The offer applies to hired items only and does not include purchases. If you pay by credit card we will add a charge of 2%. This will not apply to debit cards.

This offer can not be used retrospectively for existing orders or together with any other offer. We may withdraw it without prior notice.
